Definitions

The definitions below are in line with the FAIS Act and the Draft TCF Complaints Management Discussion document published by the FSCA in October 2014. Kindly note that the definitions used are merely a guideline and does not restrict you from developing your own definitions in addition to these suitable to the nature, size and complexity of your business model.

1. **“Complaint”** means an expression of dissatisfaction by a complainant, relating to a product or service provided or offered by the financial services provider, or to an agreement with the financial services provider in respect of its products or services and indicating that -
 - a) the financial services provider or its service provider has contravened or failed to comply with an agreement, a law, a rule, or a code of conduct which is binding on the financial services provider or to which it subscribes;
 - b) the financial services provider or its service providers’ maladministration or wilful or negligent action or failure to act, has caused the complainant harm, prejudice, distress or substantial inconvenience; or
 - c) the financial services provider or its service provider has treated the complainant unfairly.

and regardless of whether such an expression of dissatisfaction is submitted together with or in relation to a customer query.

2. **“Complainant”** means a person who has submitted a specific complaint to the financial services provider or its service provider and who –
 - a) is a customer or prospective customer of the financial services provider concerned and has
 - b) a direct interest in the agreement, product or service to which the complaint relates; or
 - c) has submitted the complaint on behalf of a person mentioned in (a)

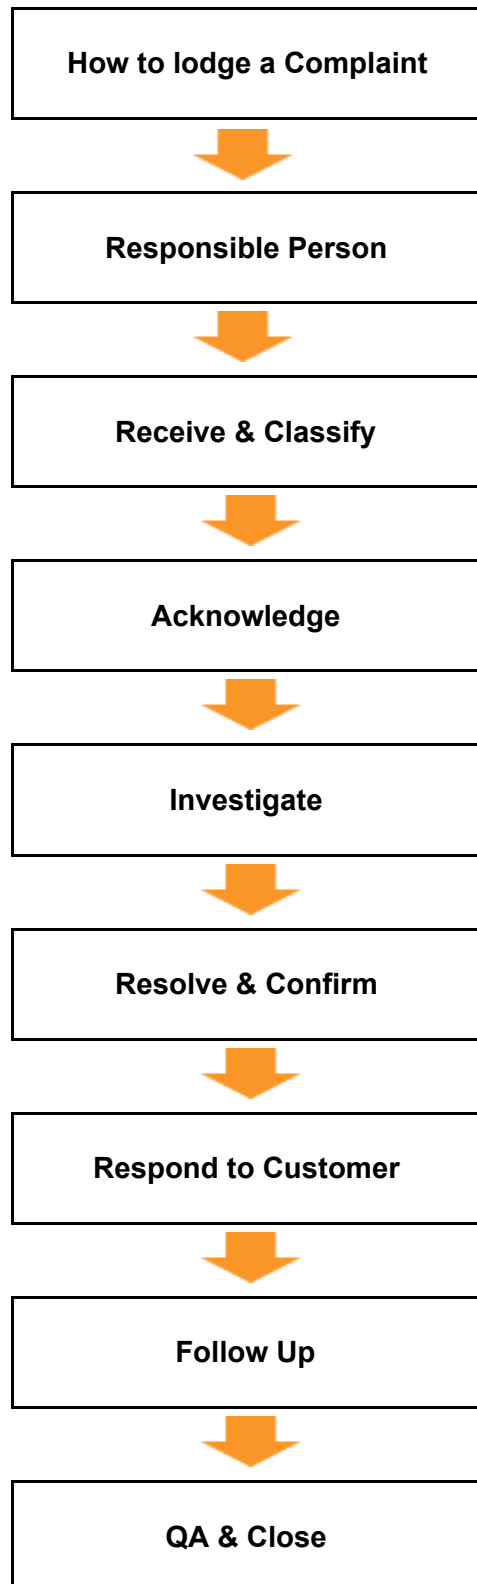

provided that a prospective customer will only be regarded as a complainant to the extent that the complaint relates to the prospective customer’s dissatisfaction in relation to the application, approach, solicitation or advertising or marketing material contemplated in the definition of “prospective customer”.

3. **“Customer”** of a financial services provider means any user, former user or beneficiary of one or more of the financial products or services provided by the financial services provider, and their successors in title.
4. **“Customer Query”** means a request to the financial services provider by or on behalf of a customer or prospective customer, for information regarding the financial products, services or related processes, or to carry out a transaction or action in relation to any such product or service.
5. **“FAIS”** means the Financial Advisory and Intermediary Services Act No. 37 of 2002 (as amended) which was designed to protect customers of financial services providers; regulate the selling and advice-giving activities of FSPs; ensure that the consumers are provided with adequate information about the financial products they use and about the people and institutions who sell these financial products and establish a properly regulated financial services profession.
6. **“FAIS Ombud”** the FAIS Ombud deals with complaints submitted to the Office by a specific customer against a financial services provider.

7. **“Financial Services Provider”** means *[insert FSP]* with FSP No *[insert FSP No]* and place of business *[insert Address]*.
8. **“Prospective customer”** of a financial services provider means a person who has applied to or otherwise approached the financial services provider in relation to becoming a customer of the financial services provider, or a person who has been solicited by the financial services provider to become a customer or has received marketing or advertising material in relation to the financial institution’s products or services.
9. **“Routine Complaints”** is where a customer submits an expression of dissatisfaction together with a customer query or relating to a customer query and which further can be resolved internally within a period of 15 days. Routine complaints are therefore customer queries which have been escalated by the customer previously but now the customer has become dissatisfied with the process being followed to resolve the customer query.
10. **“Serious Complaints”** are complaints that contravene regulatory requirements and are likely or may already have caused a customer to suffer financial prejudice.
11. **“Service provider”** means another person with whom the financial services provider to whose products or services the complaint relates has an arrangement in relation to the marketing, distribution, administration or provision of such products or services, regardless of whether or not such other person is the agent of the financial services provider.
12. **“Resolved”** in relation to a complaint means that the **complaint has been finalised** in such a manner that the complainant has explicitly accepted that the matter is fully resolved or that it is reasonable for the financial services provider to assume that the complainant has so accepted. A complaint should only be regarded as resolved once any and all undertakings made by the financial services provider to resolve the complaint have been met.
13. **“TCF”** Treating Customers Fairly is an outcome based regulatory and supervisory approach designed to ensure that specific, clearly articulated fairness outcomes for financial services customers are delivered by regulated financial service providers (FSPs). FSPs are expected to demonstrate that they deliver the required 6 TCF Outcomes to their customers throughout the product life cycle, from product design and promotion, through advice and servicing, to complaints and claims handling – and throughout the product value chain.

- 2.1. Once your complaint has been received it will be allocated to and dealt with by adequately trained staff.
- 2.2. The person responsible for your complaint will furnish you with his/her contact details and the reference number of your complaint (if applicable).
- 2.3. The **Key Individual** will have oversight over the complaints allocated to various personnel and you may direct any queries to the **Key Individual** whose details are recorded in this document.

3. Receive and Classify

- 3.1. We will ensure that all potential issues are captured and classified for escalation, review and action as required.
 - 3.2. Any complaint, issue or negative customer interaction must be reduced to writing and must be logged and classified for action.
 - 3.3. A third party acting on behalf of a complainant must deliver a certified or original consent or power of attorney to act on behalf of a complainant. Should such third party fail to deliver a consent or power of attorney, no further dealings will be pursued with such third party until the proper authority is obtained. The complaint will however be taken up directly with the complainant on whose behalf the complaint is made.
 - 3.4. All complaints must be formally logged using the Fusion Customer Data base under the client section
-

3.5. Risk

All complaints will be prioritised as follows:

3.5.1 **Risk 1 – Routine complaints, potential low business impact. This requires a response to the customer within 15 working days.**

- Routine complaints have the potential of becoming serious or official complaints should they be disregarded or ignored by a financial services provider.
- The staff member logging the complaint should review the complaint and its priority with the **Key Individual** before proceeding to the next step.
- The **Key Individual** will decide on the appropriate person(s) to carry out subsequent steps, including the investigation.

3.5.2 **Risk 2 - Urgent, serious business impact. This requires a response to the customer within 5-10 working days.**

- Serious complaints are complaints logged on media platforms, received from legal advisors or immediately evidence contravention of legislation requirements such as failure to conduct a proper needs analysis.
- These complaints from the outset may cause reputational harm to a financial services provider and/or may cause financial loss to a customer.
- These complaints should ideally be handled by the **Key Individual** or suitable senior person delegated to the task by the **Key Individual** Complaints from third parties and/or legal advisors will be responded to within 24 hours, acknowledging receipt of the complaint and further requesting authority to act on the complainants behalf such as a power of attorney or consent by the complainant to deal with the complaint on the complainant's behalf.
- No information will be divulged to a third party who does not have the proper authority to act on a complainant's behalf.

3.5.3 **Risk 3 – Urgent official complaints received from regulators e.g. FAIS Ombud. The regulator usually stipulates a response time of 30 days from receipt of the complaint.**

- Official complaints should be handled by the **Key Individual** The investigation of the complaint may be delegated to a suitable senior person selected by the **Key Individual** and the required draft response and attachments may be collated by such senior person.
- The **Key Individual** will be ultimately responsible for compiling the response to the regulator.
- The response to the Regulator should be made within the stipulated turn-around time.

3.6. Categorisation

- Complaints will be categorised according to their nature, e.g. service, product related, features, performance, advice given, etc.

- These categories are then narrowed down to the impact on customers. The impact of the complaint is measured by further categorising it according to the following TCF Outcomes:
 - **TCF Outcome 2** – These are complaints relating to the **design of a product or service**. The categories which affect TCF outcome 2 would be product features and charges.
 - **TCF Outcome 3** – These complaints relate to unsuitable or inaccurate, misleading, confusing or unclear **information provided to a customer** throughout the life cycle of a product. This could vary from advice, product information, information provided in advertising or marketing material about a product or service rendered etc. These disclosures would include the conflict of interest disclosures required by the General Code of Conduct of FAIS (Code); Section 4 and 5 of the Code or any other disclosure requirements in terms of the Code or any other legislation.
 - **TCF Outcome 4** – These are complaints which relate to the **advice given** to a customer by an advisor which was misleading, inappropriate and/or tainted with conflicts of interest which was not disclosed. Inappropriate advice given as a result of lack of knowledge, skill or experience on the part of the advisor of the product or service being rendered, would also be included here. The failure to conduct a needs analysis and to consider the customer's financial position, goals or life stage would also amount to a contravention of suitable advice requirements and any complaint in association herewith would fall into this category.
 - **TCF Outcome 5** – Complaints in this category pertain to **product performance and service related issues**. This would include complaints relating to a customer's disappointment with limitations in a product or service performance of which they were unaware as well as the inability of a product to meet a customer's expectations. Complaints related to a product supplier's exercise of a right to terminate a product or amend its terms, would also be included in this category.
 - **TCF Outcome 6** – These complaints relate to **product accessibility, changes or switches, complaints** relating to complaints handling and complaints relating to claims would be categorised here.
- Other categories may be developed which are appropriate to this outcome and will be incorporated into the policy and attached complaint register.

4. Acknowledge

- 4.1. All complaints must be acknowledged within 24 hours of receipt.
- 4.2. Where an acknowledgement is made telephonically it will be followed up with a written response either by sms or email.
- 4.3. A complaint reference number will be despatched to the complainant on acknowledgment of the complaint.
- 4.4. The details of the person allocated to the complaint will be despatched to the complainant within 48 hours from receipt.

5. Investigate

- 5.1. The investigation will be driven by analysing the root cause of the complaint to enable the complaint to be appropriately dealt with and to avoid, if possible, its reoccurrence.
- 5.2. This may require that both internal and external key facts are identified and clarified.
- 5.3. Should a complaint relate to product features or services handled solely by a product supplier, this matter will be escalated and appropriately dealt with in conjunction with the product supplier, ensuring that the matter is resolved to the satisfaction of the complainant.
- 5.4. *All areas of interaction and communication will be documented and where appropriate, consent obtained from the complainant to ensure that no personal information is divulged or processed without the complainant's knowledge or consent.*
- 5.5. During the investigation process the complainant will be kept appropriately updated of the progress of the investigation.

6. Resolve and Confirm

- 6.1. Ensure that the proposed resolution meets Treating Customer Fairly Outcomes, does not prejudice the financial services provider or complainant and does not involve any unnecessary legal or financial implications.
- 6.2. The proposed action will be documented and discussed and agreed upon with the Complaints Manager and/or affected Key Individual and Representative.
- 6.3. The signed off resolution will then be discussed and reviewed with the complainant to ensure fairness and clarity and to further ensure that the resolution deals with the root cause of the complaint.
- 6.4. The review should include recognition and documentation of any underlying issues that have contributed to the complaint and recommendations for actions to prevent further occurrence.

7. Respond to Customer

- 7.1. The details of the findings and proposed resolution should be clearly explained (in written or verbal form as appropriate) to the customer - within the agreed timescales.
- 7.2. Where a complaint cannot be addressed within **three weeks** by the financial services provider, a written acknowledgment of the complaint, with contact details of the FAIS Ombud, must be sent to the complainant.
- 7.3. If within **six weeks** of receipt of a complaint the **Johan Venter Makelaars & Bemarkers cc** has been unable to resolve the complaint to the satisfaction of a complainant, the complainant may:
